

HARIHARAN P

SOFTWARE DEVELOPER

hariharan15022003@gmail.com | 6382410315 | [linkedin.hariharan-p](https://www.linkedin.com/in/hariharan-p)
TUTICORIN, INDIA

PROFESSIONAL SUMMARY:

As a Computer Science and Engineering student, I have a deep interest in software development and modern technologies. I am confident in my programming fundamentals and actively seek opportunities to expand my technical knowledge. With strong communication skills and a collaborative mindset, I enjoy working in team environments. I am motivated to apply my skills in real-world scenarios and build a successful career in the software field.

TECHNICAL SKILLS:

Programming Languages : Python, JavaScript
Web Technologies : HTML, CSS
Database Technology : MySQL
Microsoft Office : MS Word, MS Excel, MS PowerPoint

PROJECTS:

- **Automated Brain Tumor Detection**
Developed an automated brain tumor detection system using YOLO, improving diagnosis speed by 40%
Built using YOLO Algorithm, Flask, Python, MySQL, HTML, CSS
- **E-Commerce Website**
Built a basic e-commerce website for browsing and buying products.
Developed using HTML, CSS, JavaScript, and MySQL
- **Government Data Entry**
Implemented using Microsoft Excel for official records.

EDUCATION:

Bachelor of Engineering (Computer Science and Engineering) University College of Engineering, Thirukkuvalai, Nagapattinam.	CGPA 7.68	76.8% 11/2021-05/2025
HSC 12th Isha Vidhya Matric hr sec school, Thoothukudi.	MARK 521.34	86.89% 06/2020-04/2021
SSLC 10th Isha Vidhya Matric hr sec school, Thoothukudi.	MARK 415	83% 06/2018-04/2019

INTERNSHIP:

- **Full Stack Development Intern at Edu-Versity (Online Internship)** 2 Months (Mar 2024 – Apr 2024)
Technologies Used: HTML, CSS, JavaScript, MySQL, PHP
Developed responsive web pages and learned the structure and best practices of full stack applications.
- **Cloud Computing Intern at Fantasy Solution, Tiruchirappalli** 2 Months (Jul 2024 – Aug 2024)
Technologies Used: AWS, Microsoft Azure, Virtual Machines, Cloud Storage
Gained practical knowledge of cloud computing concepts, including service and deployment models.

CERTIFICATES:

- Certified **Software Developer – PYTHON Developer Associate** Level-(EX25CPPP8154) (CPPP2509)
- Published research paper titled "**Brain Tumor Detection**" in **American Journal of Psychiatric Rehabilitation**
- Paper Presentation on "**CLOUD COMPUTING**" at Sardar Raja College of Engineering, Thenkasi
- Certificate for **CS105 : Introdnution to Python (9464051210HP)**

SOFT SKILLS:

- **Team Collaboration** – Proven ability to work effectively in team environments and contribute to shared goals.
- **Decision Making** – Skilled in analyzing problems and making timely, data-driven decisions.
- **Communication** – Strong verbal communication skills, with experience in presenting and documenting technical work.

LANGUAGES:

- English (Both Read and Write)
- Tamil (Both Read and Write)
